

Finish the Fight Charity Golf Tournament Benefiting American Cancer Society

Dear Friends of American Cancer Society,

As you know, many of us are impacted every day by friends, family members, co-workers, and neighbors whose lives are affected by the diagnosis of cancer. While there are still many people that may not have experienced the daily trials of how these families cope, we are fortunate to have an active American Cancer Society organization in Corpus Christi that can reach out and support those affected by this disease.

American Cancer Society's Cattle Baron's Ball is proud to host their first Charity Golf Tournament on Friday, February 23, 2018 at North Shore Country Club. There are many opportunities for your company or personally to get involved, either by entering a team or fulfilling one of several sponsorship levels. If you wish to donate, but in a different way we are also currently seeking items or services to be donated for the raffle. We look forward to a great day of golf and hope you will join us in support of such a worthy cause.

We thank you in advance for all your support.

Sincerely,

Ben Jackson and Nathan Robinson
